

# LUCAS R HARRIS

1510 Worthington Street Columbus, OH 43202  
(614) 390.6896 | [lucasharris.1440@gmail.com](mailto:lucasharris.1440@gmail.com) | [LinkedIn](#) | [Github](#)

*Seeking a technical career where I can be creative and collaborate with talented individuals who will challenge me and help me grow as a professional.*

## Education

### Tech Elevator

Fall 2017

- Participated in a 14 week Java coding bootcamp learning to develop dynamic web-based programs using the Java language

### The Ohio State University

2008 - 2012

- Bachelors of Arts and Science in Philosophy. Completed the Capital Program at the Fisher College of Business with an emphasis in Real Estate Finance. Dean's List for 5 semesters.

## Technical Skills

- **Java Language Fundamentals:** variables, data types, loops, conditional statements, exception handling, collections framework, I/O
- **Object Oriented Programming:** classes and objects, interfaces, access modifiers, packages, the Java classpath, class modeling, encapsulation, inheritance, and polymorphism, UML class diagrams
- **Web Application Development:** HTML, CSS, Javascript, jQuery, Servlets, JSP, Spring Web MVC, Tomcat
- **Database Programming:** JDBC, table design and creation, SQL queries and DML, PostgreSQL, E/R diagrams
- **Development tools and techniques:** Agile, unit testing (JUnit), integration testing, TDD, unix command line navigation, Git, Eclipse

## Projects

- **Vending Machine Software** - Created a vending machine using Java IEE eclipse. The vending machine should be able to print the menu to the console, log money fed into the machine, and any purchases made.
- **National Park Campsite Reservation Software** - Created an application for lookup details of existing national parks in the US. Using information pulled from an SQL database, users can lookup different campgrounds, search for available sites, and book a reservation.

## Professional Experience

### Playing To Vapors

2004 - Present

Lead Singer & Songwriter

- Collaborate with fellow band-members to write and perform music at venues/festivals across the midwest
- Engineer recording equipment & Digital Audio Workstations (Logic & Reason) to obtain professional audio recordings
